

Cody Mitchell

Facilities leader who builds multi-site operations programs from the ground up.

Chicagoland, IL → Open to Relocation · [GitHub](#) · [LinkedIn](#) · [codymitch.works](#)

— About

Facilities and operations professional with 13 years across 400+ locations - luxury retail, EV/automotive, boutique fitness, and wellness facilities. Recently relocated to the Chicago area to be closer to family.

— Career Highlights

- First FM hire at both FENDI and Balenciaga - created both Americas programs from scratch, growing to **\$5.3M** and **\$1.2M** in total managed spend respectively.
- 400+ locations** and **13 years** across luxury retail, EV/automotive, boutique fitness, and wellness - from J.Crew's sales floor to building programs for global luxury houses.
- 6 CMMS implementations** across every employer - ServiceChannel, FEXA, and MaintainX. Each time converting unstructured maintenance into data-driven FM operations.
- Coordinated Harvey Milk 40th anniversary "HOPE WILL NEVER BE SILENT" neon memorial at SoulCycle Castro - a streetscape installation in collaboration with SF Illuminate. Now a permanent part of Harvey Milk Plaza and the Castro community.

— Work Experience

8 RECORDS · 2010 TO 2026

INDUSTRIOUS

Chicagoland, IL (Remote) · Apr 2026 - Aug 2026

Facilities Operations Consultant, West Coast Portfolio

Contract FM support for a flexible-workspace operator - ran West Coast portfolio dispatch and vendor coordination on FEXA across 48 locations in 5 districts, triaging, assigning, and closing out work orders end to end.

- Owned daily work order triage across 48 West Coast locations - intake, vendor assignment, escalation, and closeout in FEXA.
- Coordinated vendor dispatch across 5 districts, holding trades to response windows and chasing open work to completion.

BATHHOUSE

New York, NY · 2024 - 2024

Facilities & Operations Manager

Brought on to formalize FM operations at a 35,000 sq. ft. luxury thermal wellness facility - three levels (two underground) within a 27-story residential tower, serving 200+ daily guests. Built the facility's first preventive maintenance program across bitcoin mining heat recovery, BMS-controlled climate systems, and thermal pools.

- Structured a 6-person technical team (3 facilities, 3 pool) - defined roles, ownership areas, and shift accountability.
- Reduced OPEX 18% (\$36K annualized) by renegotiating vendor contracts, bringing outsourced work in-house, and shifting to distributor relationships.

- Built the facility's first PM program across interdependent thermal and aquatic systems - shifting operations from daily firefighting to scheduled maintenance.

MAINTAINX

BALENCIAGA

New York, NY · 2022 - 2023

Facilities Manager, Americas

Inherited a fragmented FM operation and rebuilt it into a centralized, data-driven program across 54 locations in U.S. and Canada. First FM hire globally - grew from sole operator to leading the brand's first FM team.

- Deployed ServiceChannel across 54 locations, onboarded 65+ vendors, and processed 1,600+ maintenance tasks annually with standardized workflows.
- Built a 3-person FM team - recruited from my SoulCycle network and 2 external consultants.
- Managed NYC headquarters operations for 120+ Balenciaga and Kering staff.
- Grew OPEX budget from \$450K to \$1.2M. Managed \$1M shared CapEx budget.

RIVIAN AUTOMOTIVE

New York, NY · 2021 - 2022

Commercial Facilities Operations, Specialist

Hybrid site launcher and facilities manager during Rivian's rapid EV expansion - launched 6 East Coast service centers (~270,000 sq. ft. total), built steady-state playbooks, and served as ongoing FM point of contact post-launch. Traveled 50-60%.

- Owned full site lifecycle - construction coordination, punchlist, opening-day vendor mobilization, then steady-state R&M.
- Ran biweekly NSO alignment calls with 50-80 cross-functional stakeholders.
- Partnered with 2 Program Managers to standardize FM processes for 30 locations nationwide. Led CMMS migration from Limble to FEXA.

LIMBLE -> FEXA

FENDI

New York, NY · 2018 - 2021

Facilities Manager, Americas

First global FM Hire - built FENDI Americas' FM function from scratch across 67 locations in 4 countries. Grew R&M budget from \$600K to \$1M; total managed spend reached \$5.3M as scope doubled within two years.

- Absorbed security (\$3.2M), cleaning (\$800K), and COVID-19 response (\$230K) into the FM function in 2020. Managed it all as sole FM - leveraging ServiceChannel automation to scale from ~650 to ~1,100 work orders year-over-year.
- Managed NYC headquarters at 555 Madison (12,000 sq. ft., 90 staff) alongside the 100,000+ sq. ft. retail portfolio.
- Peer-nominated for the "Above & Beyond" Award by the President of FENDI Americas, Joanna M. Dubin, for crisis response during 2020.

J.CREW / MADEWELL

New York, NY · 2010 - 2015

Facilities Coordinator

Five years with the brand - from the sales floor in Broomfield, Colorado (2010) through Men's merchandising at NYC Flagship (2012) into facilities management, ultimately overseeing all repairs, maintenance and CapEx projects for the entire Madewell fleet and J.Crew's NYC Metro region.

- Started with J.Crew West; expanded to the full Madewell fleet, then earned NYC Metro - flagship locations with up to \$180K monthly repair spend vs. ~\$30K at standard stores.
- Managed ServiceChannel workflows, in-store safety audits, and after-hours emergency response across 150+ stores. Trained 3 new coordinators.
